PROFESSIONAL SUMMARY

Final-year B.Tech Computer Science Engineering student specializing in Cyber Security with a CGPA of 8.6/10. Strong foundation in Data Structures and Algorithms, Object-Oriented Programming, DBMS, and Computer Networks, with hands-on exposure to Python, C++, and core cybersecurity principles. Certified in Python (Cisco, HackerRank) and Oracle Cloud Infrastructure Foundations. Seeking a full-time Software Engineer / Python Developer / Cybersecurity Analyst role to apply strong problem-solving skills and a quick-learning mindset to real-world engineering challenges.

TECHNICAL SKILLS

Programming Languages: C++, Python

Core Computer Science: Data Structures & Algorithms, Object-Oriented Programming, DBMS, Computer Networks

Cybersecurity: Security Fundamentals, Threats & Vulnerabilities, Security Awareness, Basic Cloud Security (OCI)

Tools & Platforms: Git, GitHub, Visual Studio Code, Linux (Basics), Windows

Cloud: Oracle Cloud Infrastructure (OCI) Foundations

INTERNSHIP / EXPERIENCE

Cybersecurity Intern — TechVedhu May 2026 – Jun 2026

- Built foundational, applied knowledge of core cybersecurity practices, including common threat vectors and vulnerability categories, through structured, project-based learning.
- Analyzed security awareness scenarios to identify risk factors and recommend preventive best practices, strengthening practical understanding of real-world security principles.
- Collaborated within a remote/team-based learning environment, translating theoretical cybersecurity concepts into applied problem-solving exercises.

PROJECTS

Cybersecurity Log Analyzer

• Developed a Python-based tool to analyze security logs and identify suspicious activity.
• Applied Python programming and basic cybersecurity concepts to process and examine log data.
• Used problem-solving and data analysis techniques to improve understanding of potential security events.

EDUCATION

B.Tech, Computer Science and Engineering (Cyber Security) — Siddharth Institute of Engineering and Technology, Tirupati
CGPA: 8.6/10

Intermediate (12th) — 88.7% | SSC (10th) — 72%

CERTIFICATIONS

- Oracle Cloud Infrastructure (OCI) Foundations Associate — Oracle
- Cisco Python Essentials 1 — Cisco Networking Academy
- HackerRank Python (Basic) — HackerRank
- Cyber Security Workshop — Certificate of Participation

CORE COMPETENCIES

Problem Solving • Communication • Teamwork • Adaptability • Time Management • Quick Learner

LANGUAGES

English (Fluent) · Telugu (Native) · Tamil (Spoken) · Hindi (Read/Write/Understand)
